About Me

Dedicated and results-driven MERN Stack Developer with 6 months of hands-on experience in designing, implementing, testing, and maintaining robust web applications. Proven ability to collaborate with cross-functional teams and clients to understand project requirements and deliver high-quality solutions. Seeking a challenging position that allows me to leverage my skills in full-stack development, problem-solving, and continuous learning to contribute to the success of innovative projects.

Education Background

• B.Tech - Information Technology

K. S. Rangasamy College of Technology, Tiruchengode.

Completed in 2018

Professional Experience

Tamtree India Pvt.Ltd | MERN Stack Developer

May 2023 - present

Key responsibilities:

- Develop interactive user interfaces using React.js.
- Design and implement server-side logic using Node.js and Express.js.
- Design and maintain MongoDB databases, ensuring proper indexing and performance optimization.
- Utilize version control systems, such as Git, for collaborative development and code management.
- Stay updated on the latest industry trends, tools, and technologies relevant to MERN Stack development.
